

# HOPE IS EVERYTHING

## *My Theme for August*

Page 1

So many exciting things to share! And a few “chores” for you Ladies!  
At the August 12th, meeting we discussed what the focus of 2020-21 should be.

*There are real constraints and they cannot be ignored.*

*We also talked about how the Church needs us more than ever as  
attendance (Fellowship) and monies are down.*

*The Cookie Faire, sadly, has to take a year off.*

**The ladies in attendance felt that we need to focus on:**

- 1. Fundraisers** (*As we wish to continue our support of the Bread and Wine of the Eucharist and the SAS Scholarships at the very least*)
- 2. Fellowship** (*As we know, our communion with each other has suffered*)
- 3. Service** (*As those in need, still need us*)

So...the Office has given us the OK to proceed with a few things that will bring FUNdraising and FELLOWship together to build the Kingdom of God.
